## Resignation

I regret having to make this decision. I am proud of the progress we have made in the past three years. But because of the same individuals stirring the pot. I cannot continue to serve my community. I am resigning immediately.

Board of Directors – North Gilliam County Health District

To whomever:

We have reached a crossroad, I am resigning from the North Gilliam County Health District.

The District is taking a course of action that I cannot support. It is unreasonable and unsustainable long term.

Progress that has been made to provide a professional medical center to serve our community will stop.

The EMS department continues to be swayed from outside influences and continues to disrespect and mistrust the Board. This battle has gone on for over 4 years and frankly, I do not see the tactics changing.

At this time, to prevent any further contentious chaos I will step aside and let the flow move forward.

Todd Terp.

Dear Todd Terp NGCHD Chairperson,

I would like to thank the North Gilliam County Health District employees, citizens who trusted in me, the administration who appointed me, and the board whom I have served alongside for the past three years. Due to reasons, out of my control, I am not able to fulfill my obligation to the district nor its citizens, and I am resigning effective June 02, 2025.

I wish you all the best.

Sincerely,

April Aamodt
